TIPS FOR A SMOOTH DAY

To eliminate our beauty team from feeling rushed, please arrive at least 10 minutes prior to the appointment. This will ensure that you also will stay on schedule for your busy day. An up-do is truly a piece of art and it takes time.

To eliminate undo stress a trial run should be scheduled to prepare the perfect hairstyle for your big day.

We suggest you wear a button-down shirt to ease in removing the shirt without disturbing your fabulous hairdo. It is best to come with clean dry hair. Please use light styling aids, if necessary.

Get together with the bridal parties (maids and men) to ensure they coordinate their appointments with yours. Don't forget mother of the bride and groom, it's a very special day or them as well.

Feel free to bring light refreshments and spirits or ask us to provide it for you. We are here to accommodate your every need.

We do travel for weddings for an additional fee upon consultation. We will also open the salon during off hours for an additional fee.

GROOMS DAY

Who says pampering is just for the ladies? Guys, we'll start you off with a facial featuring a Grapeseed scrub. Next rub the tension away with a 30 minute massage. Top the day off with a fresh cut & beard trim (if needed) and an invigorating shampoo with scalp massage. 115.00
